Please check that you are in the correct age group remembering that it is your age on 1st September 2009 that counts.

Getting there. Thornbridge Outdoors Education Centre is on the edge of Great Longstone, Derbyshire. It's postcode is DE45 1NY. The best approach is from Great Longstone - the road direct from Ashford in the Water is narrow with some passing places. Go into the village and past the village green. Turn south at the west end of this green, before The Crispin, and go towards Ashford. The Centre is on the right after a sharp right bend, over a railway bridge and near the old railway station. Many riders park on the road by the entrance.

Signing-on All riders need to sign-on using a BSCA signing-on sheet. Please remember to bring your **BSCA membership card or £1**. The U-10s boys and all the U-12 need a separate number for their 11.00 race. Please return this number to the signing-on point after this 11.00 race. All the U-8s and the U-10 girls need to sign-on for the Notts & Derby League race at 12.00 and use their numbers. This costs £1. The U-14s and U-16 need to sign on for the Notts & Derby youth event. Note there is a separate entry fee of £4 for this event.

Entry Fee : If you or your club are not affiliated to BSCA then as shown above there is a levy of £1 per rider.

Certificates will be sent out with a result sheet early in the New Year. Only Notts & Derby prizes will be presented at the event.
